><p>"T-Takumi please stop," Misaki giggles trying to get away from her husband. Out of the blue he came up to her and just decides to tickle her.<p>

"Nope," Takumi answers and continues to tickle his wife.

Misaki can't help but laugh uncontrollable as he tickles her. She pushes him slightly and jumps to the other side of the bed picking up a pillow.

"I have a dangerous weapon and I'm not afraid to use it," She warns him fluffing her pillow in the process.

Takumi smirks and grabs his own pillow. "It's on waahhh," he says making a kung fu noise and a funny face which makes Misaki laugh.

Smack!

"Ow! Takumi what the fu-"

"No bad language dear and remember you started this," Takumi states raising his pillow to smack her on her butt.

"Ow-That's it," Misaki tells him angry. She slowly creeps up to him

with a weird expression on her face that Takumi couldn't read.

As she moves closer Takumi backs away to the living room away from their bedroom. Misaki chases after her husband and they both come to a stop near the front door by the living room.

"Got you," Misaki whispered evilly.

"Now Misaki-"

Takumi ducks when Misaki throws the pillow with all her strength. Unfortunately, someone opens their door at that time and gets hit by the pillow.

They groan in annoyance.

"Oh my! Tora I'm sorry," Misaki apologises slowly walking up to him but Takumi stops her.

"Maki!" Tora calls.

"Yes sir," Maki answers coming out of nowhere.

"Hand me a weapon," Tora orders, eyes focused on Misaki and Takumi.

Maki returns moments later with a handful of pillows. "I've brought many colours, materials and fillings. Choose your weapon sire."

"S-Sire," Misaki wonders out loud to her husband. Were they getting a little too serious?

"Give me the silk blue one with feathers," Tora tells Maki. Maki hands the said pillow over to Tora who fluffs it. "Prepare to meet your-"

Smack!

"Shut it Tiger-kun," Takumi says after he had hit Tora right in the face with the pillow in his hand. "Usui's 2, you 0."

"Maki what are you doing just standing there? Grab a pillow," Tora states to Maki holding his nose.

"Yes sire."

"Pillow fight!" Misaki yells grabbing one of Maki's pillows or 'weapons' and aims it towards everyone.

****Two hours later.****

"I think we over did it," Misaki admits rubbing her sore shoulders. Her house is now filled with feathers and shredded pillows.

"At least we won right Maki?" Tora alerts everyone with a proud smirk on his face.

"I don't think so," Takumi gladly reminds him.

"Wanna bet," Tora says grabbing a pillow.

"Bring it on!" Takumi challenges him also getting a pillow.

"Oh boy," Misaki sighs tired.
